We Specialize in Mission Supplies

Write us for detailed Information Before placing your order

During our many years in business we have supplied Religious Articles for thousands of Missions, which has given us an opportunity to study which articles sell and which do not. We do not send a whole lot of articles that you would have to unpack and again repack and return to us. We have also learned that you cannot sell tarnished and soiled religious articles at Mission sales, so we guaranty to send you only new, clean merchandise that your people will be anxious to buy.

We consider this good business. After all, it requires expensive, intelligent clerks to lay out, mark and charge these goods; therefore, it is to our advantage to send only such merchandise that we know from our many years of experience will sell, as we only derive profit from the goods that are sold, and not from the goods that are returned.

With this thought in mind we have built up the reputation of "Mission Specialists."

If you have not had your Mission goods from us before, ask your neighbor or any of the Missionary Fathers, and we are sure they will recommend our firm.

CHANGE OF NAME

We have changed our legal name but not our Management, Personnel nor Policy.

The Milwaukee Church Supply Co., the European Statuary & Art Co. and other allied interests were formerly separate companies but operated by the same management. To simplify our Capital structure and to reduce the number of government and other reports necessary, it was decided to merge all these interests into one firm "The T. H. Stemper Co., Inc." There should be only one noticeable change and that is better service and prices to you due to reduced costs of operation to us.

In short — No change of any kind except in the Name.

IMPORTANT

In order to make it possible for us to maintain our traditionally low wholesale prices we ask that, instead of sending us small orders daily, you accumulate your orders until they amount to at least $2.00. The increased costs of labor for handling, billing, shipping, etc., make this request necessary. The shipping of a small order involves just as much detail, handling, and clerical expense, shipping labor, etc., as a large one, and the smallest order, therefore, which we can fill and avoid loss in handling is $2.00. On all orders of less than $2.00 a handling charge of 25c per order will be made.

ATENT OFFICE

DESIGN DIVISION

For many years now we have specialized in the supplying of Communion articles, and to those placing their orders for Communion goods with us, we have given VALUABLE PREMIUMS.

You may be interested to learn how you can earn these premiums. Our proposition is this—Each School that favors us with their complete Communion order (providing the order amounts to $50.00) receives one of these beautiful PREMIUMS, FREE OF CHARGE. If the order is less than $50.00, we keep a record of the amount and add it to the sale of the following year. Just as soon as the total sale is $50.00 the customer is entitled to a premium. We do not give more than one premium to a School even if the order is several hundred dollars, nor can we give premiums listed for 2, 3 or 4 orders for one large order, even though the amount of the order be $400, $600, or even $1,000, as naturally some of the larger Schools must help defray the expense of premiums for the smaller Schools. To get the premium shown for 2 years' orders — we must have your complete orders for two years, etc.

Our Communion goods are not priced any higher than those of other Supply Houses, but on the contrary ARE GUARANTEED TO BE AS LOW OR LOWER. The reason we say this is that since we specialize in the supplying of Communion classes, we buy in such large quantities that our costs are bound to be lower, therefore, we can give you the benefit of our lower costs and sell at prices below those of our competitors.

The premiums we offer are illustrated on a special circular. A great many Sisters have beautified their Chapel with the many premiums they received from us. Others use these premiums to raffle or sell chances on them, and in this way derive substantial amounts for the benefit of the School, Church, or Chapel.

THE PREMIUM CAN BE SENT TO YOU ANY TIME YOU WISH TO HAVE IT, AFTER YOU HAVE DEFINITELY ASSURED US OF YOUR ORDER. THIS WILL ENABLE YOU TO MAKE USE OF THE PREMIUM DURING THE BALANCE OF THE SCHOOL YEAR.

If you have not ordered your Communion goods from us in the past, give us a trial and we are sure that your name will also be added to our long list of satisfied customers.

We publish a SPECIAL COMMUNION CATALOG each Spring, and it is mailed to the Sisters and Priests throughout the United States. You will find that it contains a most complete assortment of everything used for the First Communicant, such as Prayer-books, Rosaries, Scapulars, Communion Sets, Souvenir Pins or Brooches, Scapular Medals, Candles, Candle Drip Protectors, Candlesticks, Communion Certificates, Veils, Diadems, Buttonhole Bouquets, Arm Bands, Ties, Collars, etc. Be on the look-out for our Catalog in February.

Our selection is large and very complete. You have your choice of the most popular Communion Prayer Books, namely Pray Always—Jesus Help Me—Jesus Make Me Worthy—Welcome Jesus—and Key of Heaven in the best available bindings, in complete Communion sets.

Our Rosaries are the best values obtainable. Price and quality to satisfy each individual.

We have a large selection of veils, not just one or two styles but most of the popular designs and best values of all manufacturers.

Our Communion Sets are the most complete on the market. Each set consists of 1—Prayer Book, 2—Rosary, 3—Scapular, 4—First Communion Pin, 5—Sacred Heart Badge, 6—Eight Page Leaflet with Special Prayers for First Communicants and Renewal of Baptismal Vows, 7—Souvenir First Communion Picture, 8—Leatherette Case in our special designed blue and gold container.

When Ordering Your Communion Supplies

You may go through the catalog and order samples of any articles you think the children might be interested in. When these samples arrive you may take the orders from the children, and mail the entire order to us. Always specify the dates of when you would like to have these Communion samples and also the date of your First Communion.

Every article that is sent will have a tag attached with the stock number, and the memorandum invoice that will accompany the goods will show the net wholesale price, or your cost.

We send samples on sale, and allow the return of any articles remaining unsold.

To Establish Retail Prices for the Sale of Communion Articles

Our customers add from 25 to 50% to the wholesale price, to establish the retail selling price. In other words, an article that costs you $1.00, is sold to the children at $1.25 or $1.50, whichever you prefer. There is no definite or set rule in reference to establishing the retail price, therefore, you may use your own judgment.

All orders are given **prompt attention** and guaranteed to arrive safely. Our service is beyond criticism.

If you have not ordered your Communion goods from us in the past, be sure to GIVE OUR HOUSE A TRIAL ORDER this year, and inform us which premium would interest you most, and we are sure that you will always order your Communion goods from us in the future. We earnestly SOLICIT YOUR FIRST ORDER, and you may rest assured that we will do everything possible to please you, to merit your confidence, and retain you as a permanent customer.

Even if the Communion class has not been selected, we will appreciate to have you notify us on the order blank THAT WE WILL RECEIVE YOUR ORDER later on. We will then file your tentative order until we receive detailed information from you regarding the size of your class, the date of First Communion, etc. Order the samples early enough so that they may be displayed, and the children will have ample time to make their selection.

To those Priests and Sisters who have been ordering their Communion supplies from us in the past, we wish to extend our sincerest thanks for their patronage. We feel confident that you will again place your order with us at an early date.

Those Priests and Sisters who have in the past not handled Communion goods for the children, we earnestly urge them to do so this year.

Your profit, or the difference between the wholesale price at which the goods are billed to you, and the retail price which the children pay, runs into considerable money, especially when there is a large class. You will find this profit very helpful to buy necessary supplies for poor children, for the School or Convent, and besides you will be entitled to one of our fine premiums. This will also enable you to have uniform veils and other supplies for the entire class.

Our method of sending Communion articles and our established custom of giving beautiful premiums entirely free of charge, has met with universal approval and satisfaction, and we sincerely hope that we may add many readers of this message to our large list of satisfied customers.

Entrust your entire Communion order to us, and you will not need any encouragement to place future orders with us.

THE NEW IMPROVED EDITION

The First Communion prayerbook actually planned from beginning to end to meet the needs and capacities of First Communicants—

- All the prayers in language the child can understand.
- Prayers in conformity with the wording of the new revised Baltimore Catechism.
- Sense lines, instead of page lines.
- Vocabulary that has been checked against standard word lists.
- Simplified liturgical and traditional prayers to meet the mind range of a small child.
- Beautiful illustrations—some in offset colors—specially made for this book.

WELCOME, JESUS is definitely not an adult prayer book in a fancy binding; it is entirely adapted to the mind and the heart of the youngster. Everything about it . . . vocabulary, length of prayers, illustrations, arrangement of sentences, the absence of italic . . . has been designed by experts to make possible a First Communion prayer book which will really make a devotional contribution to that greatest of all days in the life of a child, his First Communion day.

Kant-Tangle Rosary

It Will Not Tangle

Originated and designed by the Very Reverend James McNamee. The rosary is in the form of a circle with the crucifix within the ring—in no way disturbing the customary order of the beads. So designed it will not knot or tangle —makes it easier to ascertain direction—minimizes breakage of chain. The Kant-Tangle Rosary is sanctioned, approved and used by clergy and laity throughout the country.

DESIGN DIVISION

In order to make it possible for us to maintain our traditionally low wholesale prices we ask that, instead of sending us small orders daily, you accumulate your orders until they amount to at least $2.00. The increased costs of labor for handling, billing, shipping, etc., make this request necessary. The shipping of a small order involves just as much detail, handling, and clerical expense, shipping labor, etc., as a large one, and the smallest order, therefore, which we can fill and avoid loss in handling is $2.00. On all orders of less than $2.00 a handling charge of 25c per order will be made.

O Jesus! be on this day
a token of my gratitude,
bless those who led me
to Thy Holy Altar.
Grant, O Jesus, your blessings
to all those who by their prayers
and sacrifices, have led me to
Thy Holy Altar.
To hold Jesus in his priestly
hands, to give Him to the faithful
after having brought Him down
upon the altar, to bless them, to
give them the Divine life by
every means.
The Good Shepherd

Prayer for a Priest
Bless his labors with abundant fruit,
and may they to whom he has
ministered, be here below his joy and
consolation, and in Heaven his
beautiful and everlasting crown. Amen.
Prayer for a Priest
O Jesus, Eternal Priest, keep this
Thy holy one within the shelter of
Thy Sacred Heart. Let Thy holy
love surround him and shield him
from the world's contagion. Amen.

my prayers and pour the
abundance of your graces

Comfort
When your heart is sad and lonely,
And your friends seem far away,
Turn to Him Who is all holy,
And He'll drive your cares away,
When a dear one seems to fail you,
When for friendship true you long,
Confide in Him Who is all true,
And He'll right your every wrong.
Jesus' heart is your true refuge.
To Him you can always flee,
Even when your hopes are sinking,
He will then a True Friend be.
He will soothe your lonely spirit,
He will love and bless and say,
"Come to Me and I will comfort You, today and every day."
God Bless You
How sweetly fall those simple words
Upon the human heart,
When friends in holiest terms thus seek
Their best wish to impart.
From far or near they ever seem
To bear a power to cheer you;
And soul responsive beats to soul in breathing out,
"God Bless You."
"To Our Lady"
Lovely Lady dressed in blue—
Teach me how to pray!
God was just your little Boy,
Tell me what to say!
Did you sit Him up, sometimes,
Gently, on your knee?
Did you sing to Him the way
Mother does to me?
Did you hold His hand at night?
Did you ever try
Telling stories of the world?
Oh! And did He cry?
Do you really think He cares
If I tell Him things—
Little things that happen? And
Do the Angels' wings
Make a noise? And can He hear
Me if I speak low?
Does He understand me now?
Tell me—for you know!
Lovely Lady dressed in blue,
Teach me how to pray!
God was just your little Boy,
And you know the way.
The Memorare
Remember, O most gracious Virgin Mary, that never was it known that any one who fled to thy protection, implored thy help, and sought thy intercession, was left unaided. Inspired with this confidence, I fly unto thee, O Virgin of virgins, my Mother! to thee I come, before thee I stand sinful and sorrowful. O Mother of the World Incarnate! despise not my petitions, but, in thy mercy hear and answer me. Amen.

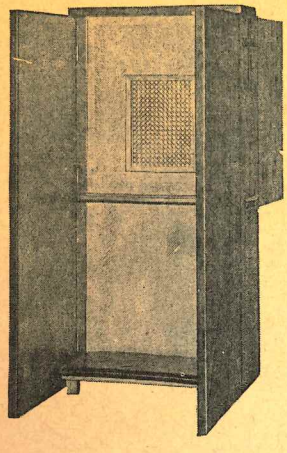
THE BURGESS MOBILE ACOUSTI-CONFESSIONAL

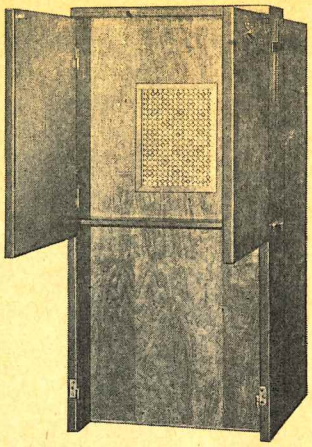
APPEALS ALIKE TO PENITENT AND PRIEST



No. 702—View of Penitents Compartment

Why Penitents Approve — Penitents like the hushed interior of the Burgess Acousti-Confessional. There is seclusion, both in person and in speech. They also appreciate the open, airy construction. A comfortable kneeler and arm rest are provided for the penitent's convenience.

Why Confessors Approve—Priests endorse the Burgess Acousti-Confessional because it provides a quick, efficient method of hearing confessions. They appreciate a portable unit which may be pressed into immediate service and yet assure maximum comfort for the busy priest.



No. 702—View of Confessor Compartment

COMPACT—EASY TO STORE

When closed, the over all dimensions are 17¾ in. x 27½ in. x 62 in. high.

One person can push the Confessional; two persons can carry it when its use is no longer required. Exterior finish is light walnut; interior finish is natural birchwood.

No. 702 Closed

Model No. 702 Portable Acousti-Confessional affords privacy of speech . . . often more than is obtained in many permanent confessionals. The wall panels contain a thick blanket of sound-absorbing material protected by perforated plywood facing. Extraneous noises are absorbed rather than reflected. The Acousti-Confessional may be used as an auxiliary unit or as a permanent confessional in the smaller parish church. It is also suited for convents, monasteries, hospitals, and other institutions. Price..... **$250.00**

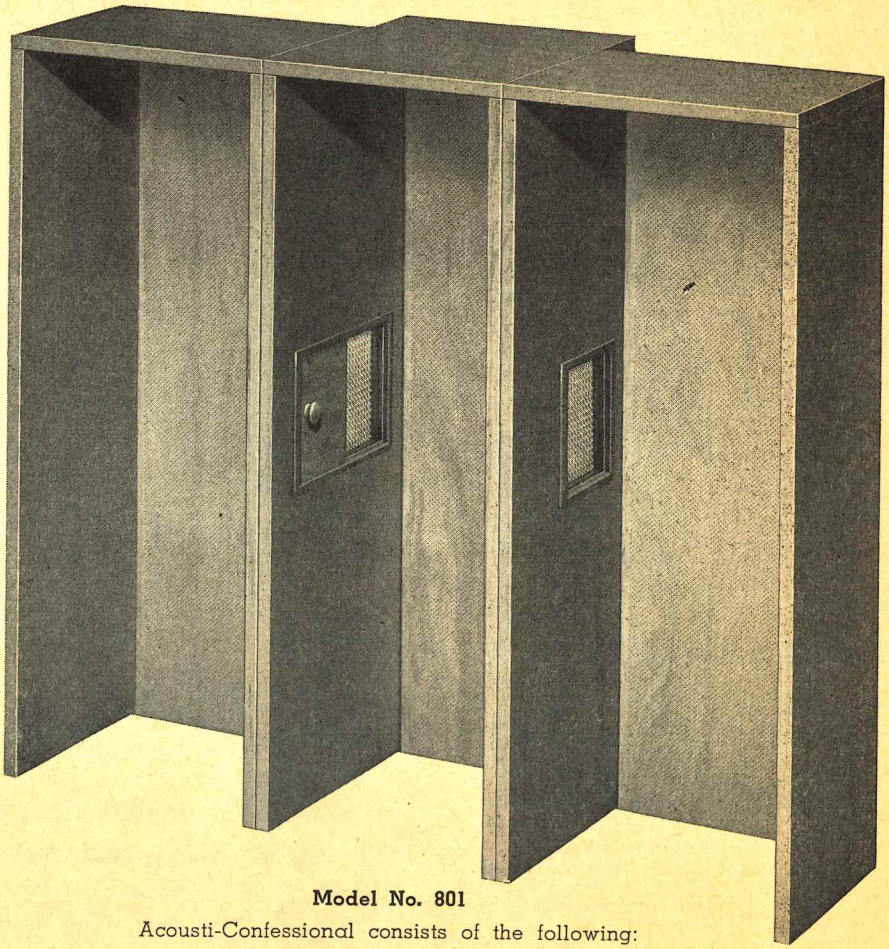
Model No. 801 Acousti-Confessional for Permanent-Type Confessionals

INCREASED ACOUSTIC PRIVACY

A serious objection to many built-in confessionals is the fact that they do not provide the privacy for which they were intended. Overheard conversations offer a source of embarrassment and dissatisfaction, and outside noises tend to detract from the serious attention which should be directed to this sacramental duty.

The Model 801 Burgess Acousti-Confessional solves this problem by providing acoustic control, as well as a basic confessional structure, for both new and old confessionals. Exterior trim, kneelers, shelves, seat, and curtains or doors, not included, can be added in accordance with church requirements and styling. The result is an attractive unit which is appropriate in traditionally styled church interiors, yet is based on the most modern advances in acoustic construction.

The wall and ceiling panels of the three-compartment Model 801 Burgess Acousti-Confessional are of a scientific acoustic construction. The face of the reinforced plywood panel is perforated, and these perforations are backed by a thick blanket of sound-absorbing material. Since extraneous noises are absorbed rather than reflected, greater privacy and a hushed interior are provided.



Model No. 801

Acousti-Confessional consists of the following:

2—42x84x1¾ inch Panels
6—36x84x1¾ inch Panels
1—30x84x1¾ inch Panel
